## COMPARE ULTRALUX WITH THE OTHERS

### Compare UltraLux to Ott-Lite and Verilux Happy Eyes See our comparison table below.

The Only Full Spectrum Floor & Desk Lamp that offers you both light therapy and task lighting in one unit. Featuring the **Patented** full spectrum dimmable lighting system you will not find in any other light. (Patent Pending)

"How many times have you felt you just don't get enough light to read or do your work? Well, with the Ultralux floor lamp, my entire work suite lights up like sunlight with relaxing brightness for evening reading or daytime concentration. This quality light is a must for every home and office."
